110 Volt **Mirage™** Lateral Arm Acrylic Patio Awnings Patents Pending  
*Innovative Elegance . . . Superior Strength . . . Cutting Edge Technology*

### Full 10' extension for maximum shade!

#### Superior design . . .

Designed specifically for Class A use, Carefree's Mirage is the strongest, most durable lateral arm box awning available. Robust, sturdy lateral arms support the elegant acrylic canopy and lead rail.

#### Quality is in the details . . .

Carefree uses only the most reliable, proven and trusted motors on the market. For worry-free use, the controls are located inside your RV. There's no guessing when operating the Mirage . . . You control extension and retraction.

#### Best value . . .

Carefree uses only the finest acrylic fabrics to match your RV. Choose from five standard solid acrylic colors or 140 custom acrylic colors. The durable fabric is housed in a heavy-duty, resilient aluminum case that can be ordered in White or Black. Pewter colored case available for an upcharge. The Mirage can also be equipped with the ultimate convenience – wireless remote control.

#### The original . . .

Carefree introduced the first powered lateral arm awning in 1990. Since then, we've refined our designs and product offering to be able to offer you simply the best lateral arm box awning available.

#### Best backed . . .

The Mirage is backed by Carefree's Limited Lifetime warranty. Worry free for as long as you own your Mirage!

◀ Sleek Mirage awning closed for travel

#### Two models available:

### 1 110V Mirage with Direct Response Electronics™

*Simply the best Auto Retraction System available . . .*

Easy-to-use controls and the Motion Detection System. The Mirage is the only box awning that has a system to detect canopy motion, the most important element prevent wind/weather damage.

The Mirage automatically retracts when the canopy reaches a certain level of movement – you determine the sensitivity level on the control panel. *Patent #7242162*

*Sensor box is located inside the lead rail for a finished look*

### 2 Mirage with Manual Crank

All the durability, strength, and color options as the 110V models, but extended and retracted manually with a hand crank.

**Get the ultimate in convenience!**

**Wireless Remote Control** The Mirage can be conveniently operated from anywhere near your RV with the Wireless Remote Control upgrade option.

**Mirage Acrylic Awnings** Case color is Black or White, available in Pewter for an upcharge.

# Eclipse™

The only push button **ADJUSTABLE PITCH 12V** Awning!

Patents Pending

## Sturdy. Stable. Fast. Durable. Easy. Beautiful!

The next generation of power awnings is here!

- ▶ 100% billow-proof, worm-gear drive motor.
- ▶ Exclusive "Instant Pitch Adjustment" – Six pitch adjustment settings per arm for more shade or rain release versatility.
- ▶ Highest head clearance of any vertical arm awning.
- ▶ Rain-Dump feature releases pooled water on flat-pitch canopy.
- ▶ Automatic self-leveling retraction from any pitch.
- ▶ Revolutionary "truss support" for superior strength.
- ▶ Secure partial extension performance.
- ▶ Available in quick-install, no-wiring rechargeable battery model that includes a battery charger. Hardwired model requires a dedicated 15 amp circuit.

- ▶ Two models (*hardwired or battery*) and two sizes (*Universal and XL*). The XL provides more shade and fits more applications with slide-outs and low awning rails. (*Battery model not available with XL size.*)
- ▶ Eclipse awning blends into RV sidewall when closed for travel.

**Maximum headroom.**  
**Stable & secure overhead truss support.**  
Get the **unobstructed patio area** access of a lateral-arm box awning **and** the **stability** of a traditional vertical arm awning. Eclipse will not buckle or flop in light winds. The revolutionary truss design keeps the awning stable and gas struts on both arms ensure a tight canopy.

**Unmatched style, beauty & selection!**

Notice the integrated styling, the trim, the finish and the attention to detail in every part. Combine all that with the industry's broadest selection of fabrics, the greatest selection of canopy colors and patterns and the widest array of arm set colors.

**Buy a complete Eclipse awning or upgrade your existing Carefree or A&E roller assembly with a 12V Eclipse Arm Set!**

See page for color samples

758-18 **T1036** 3" Bayonet 3" Rotating Flange 1-1/2" Rotating Flange

### 2-Way Elbow

3" bayonet 3" rotating flange 2" slip hub.

758-19 **T1030** 3" Bayonet 3" Rotating Flange 2" Hub

### Flanged Fitting Spigot

Fits inside of hub.

758-20 **T1005-1** 1-1/2" Spigot

758-21 **T1005-1** 1-1/2" Hub

**CARDED**

0758-202 1 1/2" Spigot Carded

0758-212 1 1/2" Hub Carded

### Extension Rod Kit Adjustable

For those hard to reach dump valves. Rod extends handles 10" to 12" from the valve. Kit comes with handle, extension rod, and coupler.

758-22 **T1046-10VP** Adjustable Rod

### Replacement Dump Valve Handles

All replacement handles are threaded to fit old style Grentec, Valterra, and Bladex Valves.

758-25 **758025** Plastic Handle

758-26 **758026** Metal Handle

**CARDED**

0758-251 Plastic Handle Carded

0758-261 Metal Handle Carded

### EZ Coupler Cap W/Handle

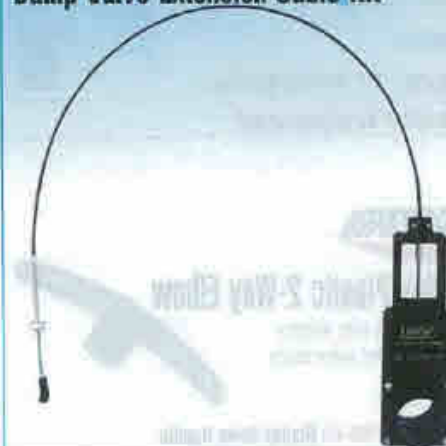

Our lighting to get valve cap off! EZ Coupler Cap with grip handle eliminates all the difficulty. Features 3/4" hose connection for draining grey water.

758-27 **F02-3106BN** EZ Cap W/Handle

### Dump Valve Extension Cable Kit

Valterra's cable valve system converts hard to access handles to a simple push/pull placement. Cable handles can be positioned at the bottom of an RV sidewall, or within a control access compartment with bulkhead installation.

758-28 **TC172** 1-1/2" Valve W/72" Cable

758-29 **TC372** 3" Valve W/72" Cable

### Twist-On Valve

For 3" gate valves. Eliminates side pulls. Easy to twist open & close.

758-30 **T58** Twist On Valve

**Worldwide Monochem**

**T5 Squeeze & Pour**

1 oz. treats 50 gallons! T-5 "Squeeze & Pour". It is the most effective toilet chemical you can buy. Cleans and lubricates while it kills bacteria, breaks down waste. Treats grey water, too. 100% Odor Control!

780-5 990 8 Oz.  
780-6 991 32 Oz. Refill Each

**Worldwide Monochem**

**T5 Tough**

T-5 "Tough" powers out stains and dirt like no other cleaner! Spray on to lift the soil from deep below the surface, then just wipe it away. Deep-cleans grease, black streaks, road grime, mineral deposits, soap scum - even blood and coffee stains.

780-7 992 22 Oz. Each

**Porta-Pak Holding Tank Deodorizer**

This holding tank deodorizer and portion control system features a strong water soluble packet that disperses quickly on contact. Take away the mess of having to measure from a bottle and enjoy the freedom of no spills. Comes in a slide zipper bag for easy storage with 10 pre-packaged portions ready to use.

780-8 T0191799 10 packages Of 10 Drop-Ins Per Case

**Bio-Pak Holding Tank Deodorizer**

New advanced enzyme formula, with unbeatable odor prevention. Deodorizes and breaks down waste in an environment-friendly manner. Pre-packaged portion control. No spills! Rapid break-down of waste and paper. Formaldehyde-free formulation. 10 packets.

780-9 T01-11530 10 packages Of 10 Drop-Ins Per Case

**Alex Milne NEW**

**Canndure Odour Control**

Canndure is a revolutionary new odor control technology that eliminates odor in waste holding tanks. Unlike other deodorizing products that just mask odor, Canndure prevents the formation of thiol-containing compounds, the root of tank odors. A little bit of Canndure goes a long way - just one ounce per five gallon capacity removes waste odors, making Canndure both efficient and cost-effective. Use in Recreational Vehicle and leisure marine holding tanks, portable chemical holding tanks, outdoor toilets, Bus and Rail holding tanks, Marine Transportation tanks and Cat Litter Products.

780-11 9951 Canndure 1 Litre Clear Liquid

**THETFORD Supreme Green Dry**

All-season odor control, formaldehyde-free formula breaks down waste & tissue fast! It's 100% biodegradable and features 100% non-dusting granules. Includes eight pre-measured 2 oz. packets per box.

781-0 28774 8 Cartons, 96 Package Per Case

**THETFORD Dri-Kem**

Concentrated granular holding tank deodorant Dri-Kem is a long-lasting odor control made of easy-to-use, non-dusting granules. Dri-Kem is fast acting and biodegradable. Comes in convenient water tight packs. Eight packs per carton.

781-1 24488 8 Cartons, 96 Package Per Case

**THETFORD Toss-Ins**

The ultimate in convenience! Simply toss 'em in to the tank. These water-soluble packets dissolve fast to deliver great deodorizing power and cleaning action. 150 packs per pail.

781-2 15458 150 Pack Per Pail

**NEW!**  
**EXODOR® PORTA-PACK®**  
HOLDING TANK  
DEODORIZER & PORTION  
CONTROL SYSTEM

**Just Drop It In!**

*The Strong Water Soluble Packet Disperses Quickly into Water.*

- Unbreathable Odor Prevention
- Prepackaged Portion Control - No Spills!
- Breaks Down Waste and Paper
- Formaldehyde-Free
- Slide Zipper Bag for Easy Storage

*Used commercially in millions of applications every year, PORTA-PAK is now available to the RV market. Never use a messy liquid again!*

## Powered awnings aren't just for big rigs anymore!

Now your RV can have the same convenience as a big motorhome. Just push a button and the Travel'r extends or retracts. It's that easy!

**The Travel'r provides easy, push-button operation for Motorhomes, 5th Wheels & Travel Trailers**

Now you can have the same convenience and ease of use of an electric awning as you've seen on those big, luxurious motorhomes at a fraction of the cost. You may ask, "Why get an electric awning when the manual roll up awning on my trailer is working just fine?" Here's why:

### Travel'r LTD. Acrylic Patio Awning Roller with White Uniguard

NOTE: Awning size refers to the center-arm to center-arm measurement. If ordering Alumaguard, specify at time of purchase. For Satin or Black Uniguard/Alumaguard, please specify when ordering. For Custom Colored Alumaguard or Uniguard add Freight charges may apply.

- 1 Electric awnings are easy to use – any family member can operate the awning.
- 2 You can extend and retract the awning in seconds. If you're pulling off the road for a quick lunch... push the button and the awning is set up in just moments! Or, if a big storm comes up in the middle of the night – push a button and the awning is fully retracted and safe from the weather. You don't have to wrestle the awning in the wind and rain to put it away!
- 3 Carefree uses worm-gear motors so you can be sure the awning won't billow while you are traveling.
